

FINE | LINE

The FineLine collection brings a fresh, stylish appearance to any interior space. FineLine's grooved profile lines are positioned to bring linear dimension as a MODERNIZING ACCENT or simply to bring accessibility and structure to CONTEMPORARY SPACES.

Please note, select 8'0" designs are created with a 6-panel profile compared to the 5-panels of 6'8" & 7'0" doors.

- Six standard profiles offered in 6'8" with optional 7'0" and 8'0" heights. Up to 4'0" wide, greater widths available special order.*
- Groove-aligned paired doors and 4-door bifolds are available as special order.*
- Profile lines positioned to accommodate most hardware locations.
- 1-3/8" and 1-3/4" thickness, hollow and solid core available.
- FineLine bi-folds available for: Robson, Denman, Parkrose, Montlake.
- 20-minute fire rated (all sizes) and 45-minute fire rated (up to 3'0" x 7'0" single swing) available as Category A or B.*
- Smooth, routed MDF surface is ready for paint. Route lines are .22 inches wide, .05 inches deep with a 30 degree bevel providing an easily paintable surface within the grooves**.

*Contact your Alliance Door Products representative for more information. **Please note, grooves are not primed.
