**Also New: Direct Set Sidelites**

Accentuate the look of these Modern-style entries with direct set sidelites from Therma-Tru. Details inside.

## Minimalist details on a premium scale.

Classic Craft® Visionary Collection™ Walnut-grained flush doors feature a striking combination of natural elements and linear engravings for geometric appeal.

### True-to-Wood Origins

Classic Craft. Walnut finds its roots along riverbanks deep in the Eastern bottomland forest. Crafted to reflect the prized hardwood of the mighty Black Walnut trees, these doors feature a horizontal grain with natural movement accented by delicate arches and cathedrals.

## Tru-Advantages

■ **Classic Craft. Visionary Collection™. Walnut-grained flush doors walk the line between retro and contemporary while embracing minimalist details on a premium scale.**

- Simplistic design exudes a quiet confidence while making a powerful first impression.
- Sleek linear engravings add intrigue to the streamlined aesthetic while highlighting the rich and sumptuous look of premium Walnut wood grains

■ **Crafted with great attention to detail and feature precision-engraved designs.**

- Designs are engraved into our premium Walnut wood-grained fiberglass door skins which are 46% thicker\* for increased durability and long-term performance.
- Flush door without engravings also available.

■ **Expands options to better serve you and your customers.**

- Create entryways in a variety of sizes from 2'6" x 6'8" all the way up to 3'6" x 8'0" — including 7'0" options.
- Doors feature 2-½" of height trimmability to fit more openings.
- Order doors with and without engravings direct from Therma-Tru on a 5-day lead time.

## NEW Direct Set Sidelites

Perfect for homes with modern design influences, direct set sidelites add subtle contemporary appeal to the entry with minimal detail, making them the perfect complement to the new Walnut-grained flush entry doors.

■ **On-trend sidelite option features clean lines and simplistic design to create an airy, open feeling in the home.**

■ **Constructed with two panes of tempered glass built directly into the door system frame for enhanced safety and performance.**

- Features a Low-E coating to deliver exceptional energy efficiency, while helping prevent early fading of home interiors due to the sun's damaging rays.

■ **Designed as part of the complete Therma-Tru® door system, our direct set sidelites are engineered with craftsman precision for an optimal fit.**

■ **Included in Therma-Tru's comprehensive door system warranties.**
