

ELEMENTAL Collection

GROUNDED IN THE FAMILIAR, LIVING IN PROGRESSIVE DESIGN.

The ELEMENTAL Door Collection of bevel grooved door designs are modern in style and construction.

ELEMENTAL door designs are characterized by clean, simple lines, offering a modern take on traditional wood and molded doors. The 1- and 2-Panel door designs allow room for interpretation in any architectural and interior design environment.

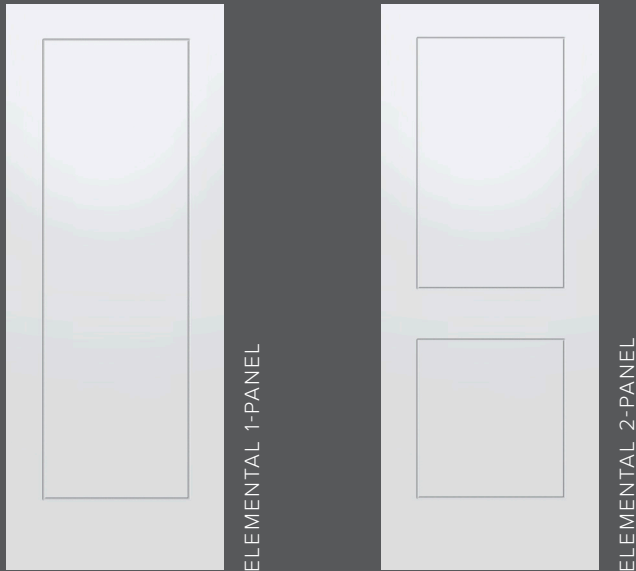

Designed, engineered and fabricated for today's building needs, these doors are at home in any application.

Fusion of MODERN DESIGN with INNOVATIVE TECHNOLOGY

ELEMENTAL doors are well suited for the VanAir Ventilated Door construction, opening opportunities to contemporary door design for all your interior door applications.
